- 23.6" x 18.9" x 11"
- 96% accuracy
- 8 sec/pg speed

The Automatic Page Turner is manufactured by AbleNet and allows moving through the pages of a book or magazine simply by pushing a button. Press it once to turn one page, or hold it down to turn a continuous string of 5 pages in a row. The dwell time can be adjusted. Whether it's a magazine, chapter book, paperback, or hardcover, Flip can handle it. With a variety of books properly mounted in Flip, you're able to turn pages in about 8 seconds, with 96% accuracy.
