- Manual monitor tilt
- Tilt range: 0-180 deg.
- 17.5" x 34" table top
- Front locking casters
- +/- 30 deg. kbrd. tilt

The ErgoQuest Model 250W Sit/Stand/Recline Workstation (EQ-SSRW-250) is like the Model 250; it has a single leg on one side, using a cantilever to support the monitor and tabletop. The motorized table legs raise and lower the tabletop from 27"-55". It differs from the Model 250 in that it replaces the standard keyboard tray and mouse tray with a 24"x32" wrap-around keyboard and mouse tray that supports the forearms and elbows. Works equally well over a bed or recliner. Tabletop measures 24"x52". Black powder-coated frame with black laminate tabletop.
