- Tilt range: 0-60 deg.
- 24" x 42" table top
- Front locking casters
- +/- 30 deg. kbrd. tilt

The ErgoQuest Model 300 Sit/Stand/Recline Workstation is smaller than the Model 500 and has two legs on one side, using a cantilever to support the monitor, tabletop, and key-board. The Model 300 can support up to 50 pound CRT monitors anywhere on its surface, and will securely position up to three flat panel monitors at angles up to 55 degrees using its motorized monitor tilt platform. The motorized table legs raise and lower the tabletop from 27"-55". The Model 300 employs a "C"-shaped base. Works equally well over a bed or recliner. Tabletop measures 24"x40". Black powder-coated frame with black laminate tabletop.
