The Model 600 provides a workstation solution to professionals who prefer or need to work from a reclining, zero-stress position. The Model 600 straddles a recliner and can support up to 8 flat panel monitors, and securely position them at angles up to 60 degrees. Users have complete control over the monitor array's horizontal, vertical, and angle position using the tilting monitor platform and the ErgoQuest Motorized Monitor Positioning System. Optional accessories like the frame-mounted articulating, adjustable racks and platforms provide completely adjustable support for essential peripherals, phones, dictation handsets etc. Optional ask and dimmable ambient uplighting can be adjustable by remote control. Every essential tool can be positioned to be accessible from a reclined position.
